

## *'APPENDIX A'*

West Felton Parish Council – Mission Statement (first draft)

The Parish Council propose to retain and enhance, where possible, the current excellent facilities and amenities of the village.

These include the excellent and well used playing field, two attractive community halls, and useful transport links.

We will do all we can to support and retain our primary school and strive to facilitate the increased capacity needed for our growing village in conjunction with the County Council.

Other key priorities are to retain the village shop, post office and public houses.

All of the above contribute, along with all of our volunteer organisations, so much to the well being of the inhabitants of West Felton. As our village continues to grow under the latest Place Plan we must ensure that the infrastructure and amenities so vital to a healthy community are retained. People do not just need housing, there is a need for low cost, accessible homes. A fact highlighted by the Housing Needs Survey undertaken recently by Shropshire Council and echoed nationally.

As a council dedicated to the needs of our parishioners we must strive to make West Felton the very best place to live that we can.
