

WEST FELTON CARNIVAL

WF Council APM 20/05/2025

West Felton Carnival has been running now for over 30years, the committee is getting smaller I'm sorry to say and the costs of running the day are going through the roof with all the rules and regulations.

We are very proud that we are the last of these small carnivals in the area and people love to come and enjoy the day, the parade last year was one of the biggest ever with 10 floats plus 2 bands and vintage cars, people who come for the first time can't believe a village puts on such a show.

We have purchased a couple of new tents and instead of donating money this last year we have spent it on our own day.

We try each year to have some good entertainment for all ages to enjoy

Our Christmas Switch On is another big night for the village when the Porthywaen Band comes along and it is in our calendar the start of Christmas, Sharon Arthur organises the baubles and the sale of them is donated to a chosen charity, the committee and friends serve mulled wine and give mincepies and cakes for everyone.

This year we have asked businesses again for sponsorship and it is looking we might be lucky..

For the children this year we have a circus workshop and Jack Dent the wonderful magician plus Os Rocks and Stephen Lockhart a singer songwriter from Wrexham with all the old faithfuls too.

There will be plenty of stalls to look around W.I. Teas Food outlets and a well stocked bar.
