Dear Parish Clerk

Records indicate that the Parish Council were notified of the appeal and that it had been subsequently withdrawn. The information was forwarded via email to Ian Hutchinson. The letters withdrawing the appeal were sent out on the 3rd January 2017, and I understand Planning Services received notification with regards change of contacts for the Parish Clerk on the 9th January 2017.

On receipt of the Council's statement of case, the appellants withdrew the appeal. Detail in relationship to the appeal, (including the Council's statement of case and the appellants), can be assessed on the Council's appeal website reference 16/02501/REF. The Council have submitted to the Planning Inspectorate a costs application in relationship to the appeal, no decision/outcome has been received to date in relationship to the costs application.

Subject: Withdrawal of Appeal - 15/03171/OUT

Dear Mr Kilby

WITHDRAWAL OF APPEAL RELATING TO 15/03171/OUT – LAND BY DOVASTON COURT (12 NEW HOUSES AND NEW ACCESS)

I have recently been appointed as the new Parish Clerk for West Felton and at our recent Parish Meeting on 17th January 2017, the above matter we discussed. The Case Officer for this matter was Philip Mullineux. Following the discussion, it appears that the Parish Councillors are concerned to know why the Parish Council was not notified of the appeal in the first instance and kept informed of the appeal process thereafter. Can you please let me know whether it is common practice to inform Parish Councils of such things and if not, why this is not the case?

Also would it be possible for you to send me a written summary of this particular case for the Parish Council to have a look at.

Thank you in anticipation of your response.

Claire Ball
West Felton Parish Clerk
