

ROYAL BRITISH LEGION - WEST FELTON BRANCH

Report to Annual Parish Meeting - April 2021

Sadly a very limited report for the last year due of course to the Covid19 situation. Members have met whilst out walking but given restrictions even during last summer, organised meetings were sadly not possible. The 2020 Poppy Appeal was a very limited affair as door to door calling was obviously not permitted. Thankfully, people's generosity did make up for the restrictions for which we are all so grateful. Our cherished Poppy Concert at the Village Hall also fell victim and many messages of regret were comforting. The Remembrance Church Service was regrettably limited to the television.

One ray of light was that we did hold a brief service at the Memorial on Remembrance Day. A large crowd were even able to stop the traffic for the solemn act at the appointed hour. Of special and joyous memory was the Cross made by the children at the school together with lovely messages and drawings. They could not attend in person, but we all felt their presence.

Our aim for the coming year is to concentrate on events around the Poppy Appeal and ensure, God willing, that we hold our concert in the Village Hall and hopefully without any restrictions.

David Curtis
President.
