Methodist Chapel	6	Christian presence – for caring, support, hope, and prayer.	
St Michaels with Chad	50	12 th Century tradition – historic building to maintain. Excellent links with CofE Primary School. Arrange weddings, baptisms, funerals. Spiritual guidance and hope to develop the church building for wider use by the community	Little support offered from local community especially young families. People like to have an historic building for ceremonial purposes but do not support its weekly life
Feltonians	9	Social Meeting – play games and chat. Good companionship and friendship although few of us.	Need more members and volunteers to help elderly with transport
Royal British Legion	20/70	Service Charity. Support members of armed forces, veterans and families. Organise Poppy Appeal locally	

Although all these clubs and activities continue – most have recurring themes.

More members would be welcome to enable them all to flourish and continue.

Parking provision would be most welcome for the Village Hall, Chapel and School.
